

WAXING CRESCENT

What do you want to start?

What of the wild calls to you?

Where does your hopeful heart drive you?

1ST QUARTER

What will you hunt down?

What is worth pursuing at all costs?

When is balance most important?

WAXING GIBBOUS

What grows within you?

What needs just a little more push?

*Where do past investments lie neglected,
waiting for you to pick them back up?*

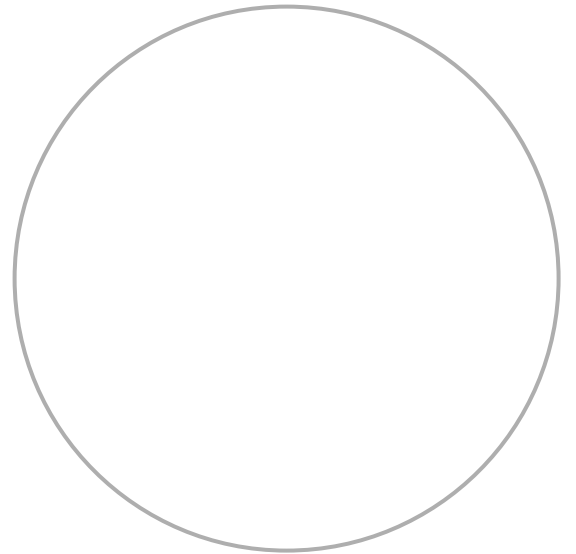

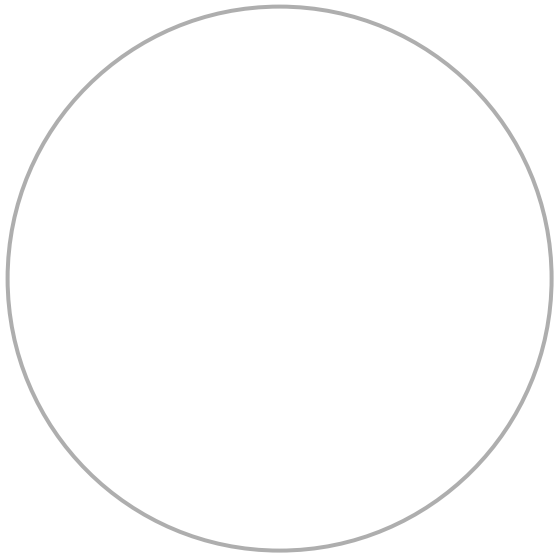

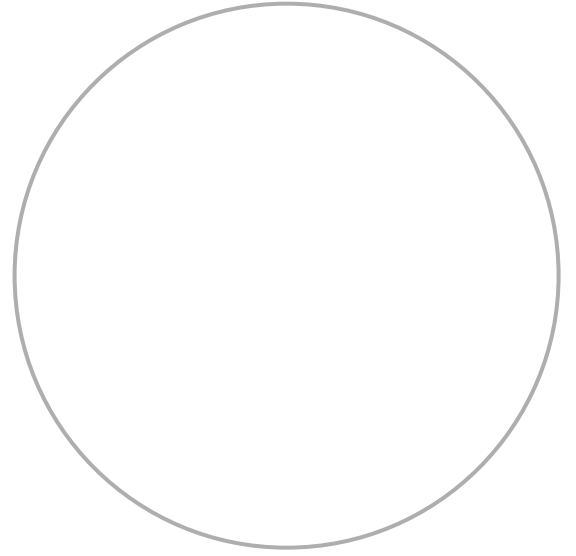

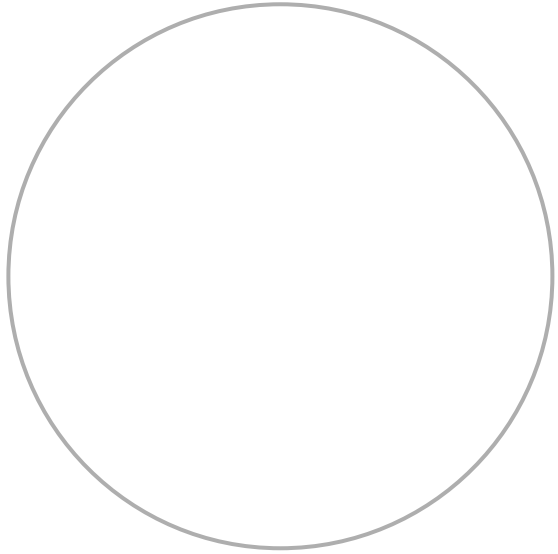

FULL MOON

What needs all of your energy?

*Where will you let your talents and
personality shine?*

When will you feel most powerful in action?

WANING GIBBOUS

When you reflect on your plan, what adjustments do you need to make?

How can you share your insights/what you've learned with others?

How can you express your gratitude?

LAST QUARTER

What will you reflect on?

What do you need to forgive yourself for?

What takes both light and dark energies to complete? 000

WANING CRESCENT

What must be cut away to allow freedom to act?

What cold truth will you discover (or reveal)?

What new insight is pointed out in the final flash of light?

DARK/NEW MOON

What needs to be buried?

What can you let go of?

What new project (or phase) comes from completing this one?
